

CNL Disciplinary Regulations and Procedures

The purpose of these disciplinary regulations and procedures is to enable Croydon Netball League (CNL) to establish a framework by which the League can adjudicate disciplinary matters in a fair and timely manner.

The disciplinary procedures set out the process by which CNL deals with allegations of disciplinary offences committed by any one of the following:

Players
Umpires
Spectators
Anyone linked to a club
Coaches
Timekeepers
Scorers

It should be noted that these procedures apply only to disciplinary matters and do not apply to more general dispute resolution, such as complaints by one member against another in relation to conduct not amounting to a breach of any policy or regulation.

Definitions and interpretations:

1.1 Acceptable levels of service of notices and/or documents relating to any CNL process or appeal are by:

By hand

1.3 The CNL Committee shall have full power and jurisdiction to act in relation to all disciplinary matters including the power to hold investigations and impose sanctions or take such action as it sees fit (supported by EN).

Procedure to make a complaint

1.4 A complaint is a formal written statement of allegation made by an individual or organisation regarding the actions or behaviour of any person or body of persons in membership of CNL. 1.4.1 A complaint may be made by:

A member of the CNL, players, umpires, captains, coaches and parents with responsibility for registered participants under 18.

Complaints must be acknowledged on receipt and dealt with as quickly as possible by the Chairman of the League. A complaint should normally reach the Chairman within 7 days after the alleged incident that has arisen. Complaints received relating to an incident outside of this time may not be considered unless the severity of the complaint is such that it is in the best interests of Netball to take it forward or there are sufficient mitigating circumstances for the late submission of the complaint.
