TO: CLUB SECRETARIES

CHAIRMANS CUP KNOCKOUT COMPETITION 22/23

It has been decided for this competition to be up and running this coming season and we hope as many of you as possible will be interested in taking part.

The original competition was set up by Lyn Handley and Chris Dubery (2 previous Chairmen of CNL) to enable teams in the League to take part in an extra competition but with a handicap system knockout style. Each stage will be given a timescale for completion.

The handicap is in line with the division you play in on a Saturday. All EN/CNL rules apply in addition to registered players, and if you enter more than one team the following will apply – ‘you can only play for one team – no interchanging’. I would confirm that you will need to provide your own umpires, scorers and hire of court, please look at sharing the cost of the court hire.

Note: Please ensure that you use the same players throughout the rounds and do not bring in other players who are part of your club at a later stage. Should anyone feel this is being abused please let me know.

There is no entry cost for this competition.

The handicap is as follows –

Division 4 team drawn against Prem A team - 35 goal head start
Division 4 team drawn against Prem B team - 30 goal head start
Division 4 team drawn against Prem C team - 25 goal head start
Division 4 team drawn against Division 1 team - 20 goal head start
Division 4 team drawn against Division 2 team - 15 goal head start
Division 4 team drawn against Division 3 team - 10 goal head start

Division 3 team drawn against Prem A team - 30 goal head start
Division 3 team drawn against Prem B team - 25 goal head start
Division 3 team drawn against Prem C team - 20 goal head start
Division 3 team drawn against Division 1 team - 15 goal head start
Division 3 team drawn against Division 2 team - 10 goal head s

Division 2 team drawn against Prem A team - 25 goal head start
Division 2 team drawn against Prem B team - 20 goal head start
Division 2 team drawn against Prem C team - 15 goal head start
Division 2 team drawn against Division 1 team - 10 goal head start

Division 1 team drawn against Prem A team - 20 goal head start
Division 1 team drawn against Prem B team - 15 goal head start
Division 1 team drawn against Prem C team - 10 goal head start

Prem A team drawn against Prem B team - 10 goal head start
Prem A team drawn against Prem C team - 15 goal head start

Prem B team drawn against Prem C team - 10 goal head start

(at this stage division 5 U18's have not been included)

Once the game has been played, please let me have your umpiring cards so that I can then do the draw for the next round.

Please note you will need to toss for ends/centre pass.

Should you have any queries, regarding any of the above please do not hesitate to contact me and we hope you will enjoy the additional challenge of this competition.

Thank You.

JACKIE ROWLAND
CNL CHAIR
