PLEASE speak to Jo Handley personally or another Committee member, as this will then ensure your message has got through and we can then action the necessary.*

*9. Don't forget you can also be part of the Twitter/Facebook CNL group - contact Amy Ireson for more information.*

*10. We are please to announce that Alima Priest from HS netball club*

has been chosen for a place in County Academy, London South East Region Academy and also with Surrey Storm NTL squad for 2011/12 and has also been selected to trial for the England U16/17's squad and we wish her every success and look forward to watching her progression.

12. Reminder that the games for January will revert to last years times and then we will be going back to the new timings from February.

13. Shirley High courts - when joining the courts from the steps you must make sure that you give consideration to the players/umpires on that court. It has been noted that some people are just walking even on to the court to get to where they want to go to. This is totally unacceptable and very inconsiderate.

14. First Aid course - we are planning another one in the Spring 2012 and would like to know how many people would be interested in taking part. Just need numbers first and then we can confirm venue, date and costs.

15. Hayes netball club - have moved home venue to Warlingham Rugby Club (Hillcrest ground) with immediate effect.

16. We congratulate Amy Robinson of Chequers on being shortlisted for the Volunteer of the Year award at the Surrey Sports Awards 2011, after being awarded the SCNA Young Volunteer of the Year 2011 in June.

Well I think that's about it for now and would like to take this opportunity to wish you all a **HAPPY CHRISTMAS AND A PROSPEROUS NEW YEAR.**

Finally I ask that this and other Newsletters are passed on to the rest of your club, so that everyone receives all the information.

*Thanks.*
